Dear Brink Prayer Team,

Marcy: My 97 year old grandmother, who is currently in FL, is in the hospital and not doing well. This is especially difficult for me because she was one person in our family that I was unable to visit with while we were in Michigan. Her husband is also ill and at the hospital. Prayers for all family members would be appreciated.

Thank you,
Marcy and Jason Brink

SIM Respond to need. Proclaim the Gospel. Equip the church.
