Dear Brink Prayer Team,

If you haven't already, please request to be our "Friend" on Facebook (JasonandMarcy Brink). Today we posted this prayer request:

It's been a good week in our ministry. Vicky, one of the women we work with, finally made the decision to leave 'La Linea'. Now comes the hard part.... starting a new life and finding a new way to support herself and her children. Her only job offer so far is from a relative...earning \$3 for 12 hours of work. She can't support her family on this, please pray that she will find a better opportunity for work.

Thank you for praying with us! Jason and Marcy Brink
