

Prayer Letter

Prayer Team,

Doesn't spring come just at the right time? When all seems dead, the rain and the sun begin to coax new life all around us. And just as the rain causes the new growth to sprout up, we know that your prayers help the smallest seeds of faith in a young person grow into a lifelong discipleship. We are so dependent on your constant prayers, especially during this very busy time. Thank you for lifting up our staff and students during this season.

-Sarah & The New City Kids Team

Praises:

- Our Lafayette site held its second annual Black History Month Performance at PS22 and Fountain of Salvation Church. It was a way to remind all of our students and our supporting communities that God

celebrates the diversity of His church and to remind people of the Imago Dei in all of us.

- Families for Literacy started the first Community Business Academy training for Arabic-speaking parents involved in their program. This is a 12-week course that will help parents to become entrepreneurs within their community.
- We currently have 17 riders signed up for Bike Tour 2019! Last year we had 14 total riders.

Prayers:

- Continue to pray for energy and strength for our youth and staff. There are a lot of rehearsals during this time as we get closer to our benefit concert. Pray with us that God will give our youth strength and courage to get on stage and share their story.
 - We have one student in elementary school who is going through an unstable home situation, making her life harder in school and in the program. Her behavior is definitely impacted by what goes on at home. We ask for prayers that God would provide stability, peace, and support for her family, and that New City Kids would continue to be a source of support and love for that child.
 - Pray for all four of our spring benefit concerts to sell out! This is a huge goal for us, but it would mean that over 800 people could be introduced to the life changing mission of New City Kids. We know that these shows will impact the lives of all that attend, as we all see the upside-down kingdom of God in action.

James 5:16 says, "...The prayer of a righteous person is powerful and effective." We feel the power of your prayers and are so thankful for your support!
