Dear Brink Prayer Team,

We would like to share with you some of the people we are meeting with this week to counsel, evangelize to, or disciple. Please join us in prayer for them, as the Lord leads you.

\*G – is a new student. She recently attended one of our Bible studies when the topic of Jesus return came up. She spoke with us afterwards, in tears, saying she wasn't ready for him to come back. Could we please speak with her about how to be ready?

\*C – recently confided in us that she has dismissed all religion. She believes that what is right is what makes you happy and doesn't hurt other people.

\*G – is a young man fascinated with horror films and writing horror stories. He is seeking purpose in his life.

\*R – is a young man who feels lost and lonely. Doesn't connect well with other students and wants to talk about the purpose of life.

These are just a few examples of the many young people God has brought into our lives. Thank you to all who support us so that we can share God's Word with these students, and with the guidance of the Holy Spirit, point them to Jesus!

Blessings,

Jason and Marcy Brink
