Dear Brink Prayer Team,

*As you know, the world is changing fast. We are praying for you in the States as you face many challenges.

*We are doing quite well under the circumstances. The Guatemalan borders have essentially been closed to foreigners, including the airport. All non-essential work has been ordered to stop, buses are not running and no meetings of any number are allowed.

*We are praying through how God wants us to serve 'the least of these' and those in our ministries during this crisis.

*We really wanted to have Adam come to Guatemala so that we could be together, but unfortunately we could not make that happen before the border closure.

*Praise God that Adam has places to stay and people who are willing to host him.

*Please pray for all of our kids (and their teachers) as they adjust to online schooling and being isolated at home.

Thanks for praying with us!

Jason and Marcy Brink

This morning we shared these verses with some of the Guatemalan University students who are experiencing anxiety:

Psalm 72:5-8

5 For you have been my hope, Sovereign Lord,
my confidence since my youth.

6 From birth I have relied on you;
you brought me forth from my mother's womb.

I will ever praise you.

7 I have become a sign to many;
you are my strong refuge.

8 My mouth is filled with your praise,
declaring your splendor all day long.

SIM Respond to need. Proclaim the Gospel. Equip the church.
