Dear Brink Prayer Team,

Thank you for your continued prayers for our family, especially in regard to Ethan's health.

For the last several months we've pursued various options for testing and treatment of Ethan's chronic headaches, seeking God's guidance throughout the process.

At this time, the most affordable and near-term option is for him to be seen by a neurological specialist in a German clinic. Due to the pandemic, we would need a time of quarantine in the UK before proceeding to Germany.

Fortunately, SIM has an international office in the UK and Germany, and we have German friends – all of whom have offered to assist us.

However, as you know, life and travel plans are challenging right now because of the uncertainties surrounding COVID.

We'd really appreciate your prayers as we discern the best path to follow in the coming days.

Thanks for praying with us!

Jason and Marcy Brink
